A message from the President
The Arts & Cultural Society on the Edge

Welcome to the 29th annual Regional Juried Art Exhibit. Our arts council is pleased and honoured to host this event on behalf of the Peace Liard Regional Arts Council. Over 50 artists from the north east of our province have submitted their works to be judged. Occasionally, we have an opportunity to appreciate their individual talents, but it is only through events like this that we can view so many works at one venue. Artists enrich our lives!

Our sincere thanks are extended to our sponsors and volunteers who are listed at the back of this program. Without their generous support and assistance, this exhibit would not be possible. We also gratefully acknowledge the participation of our two adjudicators from Grande Prairie – Dan Arberry and Jim Stokes.

As you circulate through the displayed pieces, please remember to vote for your favourite. These ballots will determine the artist who receives the People's Choice Award.

A message from the President
Peace Liard Regional Arts Council

Welcome to the Peace Liard Regional Juried Art Exhibit. Every year, artists from Fort Nelson to Chetwynd, Dawson Creek to right here in Hudson's Hope subject their work to the jury process and allow us to see the amazing talent that exists in our communities. I do not envy the jurors' task but I'm grateful they are willing and qualified to do it. I give a sincere thank you to TACSOTE and especially Pat Markin and Bill Lindsay for hosting this year's exhibit. I barely have an inkling of the work that goes into this - just that it takes months of Herculean effort. Last, but certainly not least, I thank the sponsors. We really do appreciate the commitment that you have shown to visual arts in our vast region.

To everyone - enjoy the show!

Lisa Bush
