PEACE RIVER NORTH FESTIVAL ASSOCIATION

A Message from the President

This is our fourth successful year in the revival of the Peace River North Festival. Our outreach has expanded and each year the executive has noted more interest and recognition from the people of the area - and as far north as Fort Nelson. Welcome!

As president, I would like to thank the executive for their tremendous help. With dedication and belief in the worth of our growing festival, each of us has benefited from the experience of working together. These past four years have increased our knowledge and self-confidence. An executive can, with the community's support, host a successful Festival now and in future years.

To our Sponsors - a bouquet of Thanks. The trophies, support and worthwhile assistance are much appreciated this year, in past years, and for future festivals.

To all who have an interest in keeping the Festival alive and well in Fort St. John, please assist us with your constructive criticisms. There will be suggestion boxes at each performance location and anyone wishing to volunteer their time and knowledge for next year, please leave their name, telephone number or suggestion.

We sincerely hope that each and every one who participates in our Festival will use this opportunity to achieve awareness of their singular talents to enrich their future performances.

With a final comment for next year - may we hope to see as many or more entries, by our community and surrounding districts. Remember that YOU, our participants, make this event possible.

Sincerely,

Eileen M Babcock
