PEACE RIVER NORTH FESTIVAL ASSOCIATION

Festival 1979 is in progross in the City - the end result of instructors, teacher and parents - turning a seed of interest in January into a 'gem' by the Spring month of April.

The Committee realized a cutback in Drama, Creative Writing and the Bands & Instruments Category. We sincerely hope this will not be the case next year. In spite of this cutback, the committee will see a full five day program with a need for two evening performances!

The context this year is of varied entry, utilizing the vast allowance available in the Festival Syllabus. The result making this the best Festival yet!

The 'thank-you' I extend now, is but a small measure of my gratitude to the committee, volunteer help, sponsors and the creative participants.

I sincerely wish each and everyone a wonderful Festival Week!

Respectfully yours;

Eileen M Babcock
