

BOX 7685, FORT ST. JOHN  
CONCERT SOCIETY

May 1, 1980

Dear

Thanks to your generous support, the 1979-80 Concert Series has been a success!

In addition to presenting a well received, high calibre series of five concerts, we were able to improve the atmosphere of our "gym-theatre" by the purchase of a portable stage extension and curtain, and to bring in a sixth concert for the benefit of the whole community. Now we are looking ahead to the 1980-81 Series, and we invite you to renew your status as a patron of the Concert Society.

Canadian Brass, Canada's foremost brass quintet, will be making a special detour to perform in Fort St. John on October 23, 1980. Liona Boyd, classical guitarist, has also accepted a performance date in May, 1981. At least three additional concerts are planned to complete an impressive season. Performances of this quality are expensive, but we are confident that with your continued support and our growing membership, this Series will be financially possible.

In order to discuss your 1980-81 contribution, a Concert Society representative will be calling to request an appointment. Meanwhile, in appreciation of your support, we invite you to use your complimentary season tickets for the Mulberry Street Jazz Band, May 9, 1980, at 8:00 p.m. at the North Peace Secondary School.

Thank you.

Sincerely yours,

Mrs. Donna Thiessen, Chairman  
Fort St. John Concert Society
