For the fourth year in a row the Fort St. John Community Arts Council will present its annual fundraising event, Airing the Arts. The show will be held on Sunday October 25th in the Theatre at the North Peace Cultural Centre. In past years the performances have been a showcase of top notch local talent and we are looking forward to an even better show this year.

In past years the funds raised from this show have been donated totally to the construction of the Cultural Centre. Now that the Centre is complete the Arts Council has decided to donate half of the funds to the Centre for equipment that is still needed for the Centre such as mirrors for the dressing rooms or furniture for the Atrium. The other half of the funds will remain with the Arts Council to help us assist local arts groups in development and growth. Examples of this would be the Literacy Society, Community Bands and Stage North.

Funds for the event are raised by businesses or groups purchasing ads, businesses or groups sponsoring 1 of the 6 hours and by pledges and donations being taken. I understand that Glenayre Communications is a new business in town and we would like to give you this opportunity to promote your business and be associated with our facility. If Glenayre Communications was to purchase 1 15 second every hour the cost would be \$120.00 (other options are to purchase 2 15 second ads for \$40.00) We appreciate the support all of the donors and sponsors that have helped us to achieve the success we have and we would appreciate any support you could offer us in this fundraising activity.

I would be pleased to answer any questions that you may have on this event. Please give me a call any time at 785-1992.

Sincerely,

*Pam Mroz
President, Community Arts Council*
