

# The Juror

## Carrie Klukas

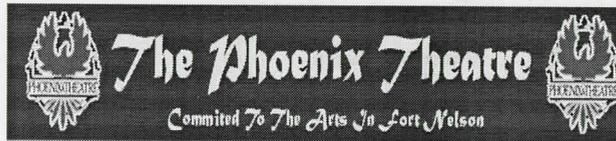

Grande Prairie artist Carrie Klukas has experience in a wide range of media including painting, bronze casting, printmaking, clay sculpture, pottery, and metalwork. Prior to attending the Alberta College of Art and Design, majoring in painting, she was a Commercial Interior Designer in Calgary for 12 years. Although she found the Interior Design field can have its creative challenges, she was always yearning for that complete creative freedom that so seldom, if ever, presents itself. She found that freedom in the world of visual art and has been a practicing artist and teacher since then.

During this journey, Carrie started at the Prairie Gallery as technician, then Assistant Curator and finally the Interim Director. She has also worked at the Creative Arts Centre in Grande Prairie, focusing on program design and instruction and eventually becoming the Director.

For the past four years she has concentrated on doing her art full time, embracing her creative side. Her work is included in many public and private collections throughout Alberta.
