Dear Participants:

Thank you for participating in our recent Cheers for the Volunteers Week. We were pleased to have your group represented at our activities.

The funds generated by the sale of the Garfield Raffle tickets will be used to keep the Artspace open to the public. The Raffle was won by Mrs. Barbara Tontsch of Fort St. John.

Enclosed is a list of activities planned for May for the Artspace and we are extending an invitation to your group to attend.

All community groups are welcome to use the Artspace as a Ticket and Information service free of charge. The Artspace is a project sponsored by the Fort St. John Community Arts Council, Northern Lights College Society and Tucker Enterprises.

If you would like to see this type of facility as a permanent feature of downtown Fort St. John, please send a letter of support to the Editor of the Alaska Highway News.

Yours sincerely,

The Artspace Staff.
