

Tonite, Fort St. John has seen another successful and well attended Festival. For the many hours given towards the achievement of this evening ^{The rewards have been} ~~are~~ tenfold. The executive has worked hard to see this event happen and are well pleased with the past eleven days of scurrying about - hoping that nothing went amiss'.

Granted, we hope to improve more in the next Festival year, especially in regards to the syllabus and programming.

I would like to take time now to thank the sponsors of this occasion - you have seen a representative here for each trophy given. Thank you.

And a big thank you to ^{MR. Barry Willis.} Mr. Bob Bennets, whose help we treasure - ~~they~~ makes this evening a lighter load for us and gives a professional quality to it. The lighting also is a special feature - and we take this opportunity to thank Mrs. Tony ~~Bennets~~. ATKINS.

This whole evening has been video-taped for the use of the schools in this area, this was skillfully done by Mrs. E. Richards & help.

Again, we thank all of you parents, grandparents, friends and viewers for following this busy festival from place to place and ending here tonite. Thank you ~~and Good nite.~~
