Miss Fort St. John

Mukluk Rendezvous '86 proudly recognizes Linda Bacon, Miss Fort St. John 1985-86. Born and raised in the North Peace, Linda has often enjoyed the festivities of the annual Mukluk Rendezvous. On October 19, Linda competed in the Miss Canada Pageant in Toronto, while her parents Bob and Jewell Bacon of Rose Prairie provided moral support from the audience. Linda will preside over official functions and grand openings in Fort St. John until May 18, when she will relinquish her crown to her successor.

The Story of Mukluk Chuck...

Mukluk Chuck was created in 1983 when the Mukluk Rendezvous first became a Society. A Fort St. John calligrapher and graphics designer, Sue Hart, was commissioned to create a character to represent Mukluk Rendezvous. The original Chuck in 1983 held a bottle which prompted some letters of disap-

proval from those who viewed the bottle as a beer bottle. She continued to pose Mukluk Chuck in 1984 and 1985 in popular Rendezvous activities. In 1986, Sheila Jenkins, housewife and mother, drew the Chuck in a more anxious mood pursued by the king of Mukluk Rendezvous, the sled dog.

Countdown to Mukluk Rendezvous '86...

Getting ready for Mukluk Rendezvous '86 is as much fun as Mukluk itself. The Mukluk Curling Bonspiel, sponsored by I.C.G. Liquid Gas and the Hi-Tower Hornets Hockey Tournament will keep sports fans busy all weekend before the official Mukluk Rendezvous '86 week opens.

Game players can compete in the 500 Silver Dollar Cribbage Tournament sponsored by the Chamber of Commerce on Saturday, January 25. The hardier individuals can take

their families down to the Bonfire at Centennial Park where the Big Brothers and Big Sisters will burn hundreds of old Christmas trees making a spectacular sight. Dancers can step to a Scottish tune at Robbie Burns Night at Immaculata Hall; and theatre goers are alerted to purchase their tickets early for Stage North's production of "Arsenic and Old Lace".

How does one prepare for Mukluk Rendezvous '86? One step in the right direction is to purchase a button.

The Official Mukluk Rendezvous Week begins...

Ice Races a real challenge...

Race your snowmobile, motorcycle, ATV or even the family car on the ice at Charlie Lake during the Dog Sled Races February 1 and 2. Between the times the dog teams begin the race and when they return, everyone is encouraged to try their skill or luck, with the obstacle course and around the oval track. This free event is sponsored by Cal's Buggies. Cal Dalzell has taken the responsibility to prepare the track but drivers enter at their own risk. The races will begin at noon on both days. Bring your friends to watch and cheer for your favourites. Racers can register on the day at Charlie Lake.

A Hole In One...

Hundreds of swingers will collect on the fairways attempting to land purple balls on the white greens on their way to the ice cream pails. This is no ordinary game. It requires no skill. In fact, the crazier you are, the better the chance you have to win.

CKNL will present the 10th Annual Snow Golf Tournament on February 2 at the Red Barn "Golf and country Club". First prize will be the traditional trip for two to the World Snow Golf Championship held in Prince George in February. It is hard to believe that people all over the world play this crazy game!

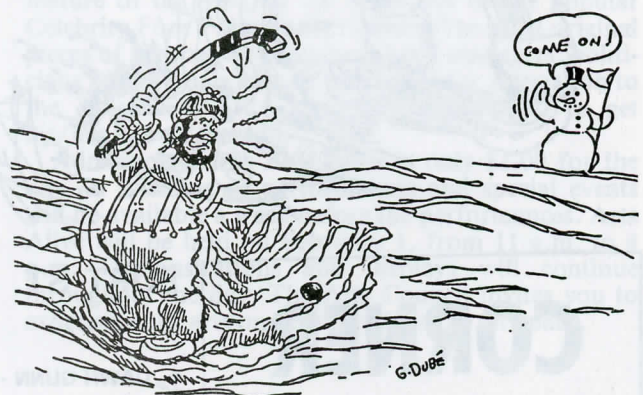

Prizes and trophies are given for the most original costumes and most original clubs. Frozen salmon, baseball bats and brooms from the old mother-in-law are not uncommon clubs to be seen. Hidden hole prizes and team prizes are all part of the fun. The entry fee is five dollars per person and entry forms are available at CKNL Radio or the Artspace.

These Snow Golf Queens seem satisfied to be 4 maids in Waiting. But they will have to do more than stand around in order to win the Snow Golf Championship at the Red Barn on Sunday, February 2.

Ice Fishing Inside...

At the 19th hole of Snow Golf, fishermen can catch an ice cube and win a prize. Every fisherman is guaranteed a prize. The NL Radio Children's Fund makes the big catch, with all proceeds from the pond and from Snow Golf going to the fund. Last year the Children's Fund added to the NL Radio playground equipment in Centennial Park.

The Museum is Open for You...

With ever-changing displays, the Fort St. John North Peace Museum attracts visitors over and over again. Through the never tiring efforts of the members of the North Peace Historical Society, the museum can be kept open all year round.

The winter hours for the museum are 11 a.m. to 4 p.m. Mondays through Saturdays. The admission fee of \$1.50 for adults, \$1.00 for seniors and 75¢ for children helps to operate the museum. The Museum has no guaranteed source of operating funds and relies solely on fundraising efforts and admission fees.

The 1986 year will bring new and exciting events to the museum. The increasing interest in archeology of the Peace Country by Simon Fraser University and the British Columbia government will be reflected in planned acquisitions for the museum in 1986. The Heritage Festival '86 will also be a big event for the Museum and Historical Society.

Everyone is welcome to visit the museum during the Mukluk Rendezvous festivities.

Refrain:

*It is Mukluk time again in Fort St. John,
Yes, the Mukluk spirit catches on,
And if that Mukluk fever got you too:
Then join us at the MUKLUK RENDEZVOUS!*

1)
*The North land is Fun Land, no matter if it's cold,
go ski-ing, make a snow man or ride around on your ski doo,
we meet at the MUKLUK RENDEZVOUS!*

Refrain:

*It is Mukluk time again in Fort St. John,
Yes, the Mukluk spirit catches on,
And if that Mukluk fever got you too:
Then join us at the MUKLUK RENDEZVOUS!*

2)
*The north land is Fun Land, no matter how winds blow,
we feature the out doors, because we love the snow.
Go ice fishing, or ride your sled, or what suits you
but remember when its Mukluk time:
We meet at the MUKLUK RENDEZVOUS!*

The Can-Cannettes have a busy year in 1986. After special appearances at Mukluk Rendezvous '86, the Can-Cannettes will be performing at Expo '86 in August.

A Sparkle of Dance to Mukluk '86...

The Fort St. John Can-Cannettes are a lively, high-stepping dance troupe with bright, authentic costumes and lively music that will get your toes tapping, your hands clapping and set your hearts free. Watch as they show you the "Can Can" of the 1890's Gold Rush, soft shoe and tap dance reminiscent of vaudeville days, and the "Charleston" of the 1920's. They may even bring you back to the present with some modern light jazz. But whatever they have to offer, their audiences are sure to enjoy the entertainment.

The Can-Cannettes have been a regular feature of Mukluk celebrations for seven years now and perform at various establishments and Mukluk functions throughout the Rendezvous. The troupe consists of two groups: The juniors, aged 14 to 18 and the seniors, aged 19 and over. All the dancers are local girls their costumes are self-made and their routines and choreography are original.

Watch them, catch their spirit and enjoy the show now that millions will see and enjoy them at Expo '86 later this year.

The Race is on...

The 13th Annual Western International Sled Dog Championships may draw mushers from as far away as Eastern United States and California, and Alaska. The sport of Sled Dog racing has been developed over the past 80 years to become a popular international event.

The Sled Dog Races were organized in Fort St. John by the Rotary Club in 1974 and originally started within the city limits. The rapidly expanding city made it difficult to prepare a suitable dog trail in the city. In 1977, the races were moved to Charlie Lake where a track is prepared by volunteers dragging a bed spring behind a snowmobile. The preparation takes about a week. An ideal track has fresh snow packed down rather than re-frozen snow or ice. The present location provides good viewing for spectators and unlimited space for the trails on the lake.

The 1986 Race will have 6 and 10 dog classes. The prizes will be \$5,000 and the Mukluk Rendezvous '86 Sled Dog Championships have been advertised in the Team and Trail Magazine for mushers.

Everyone is welcome to watch the races on Saturday February 1, and Sunday February 2 beginning at 10 a.m. each day. Between the races, various exciting activities will provide entertainment for the crowd.

The Dogs are Ready...

The fastest and most popular dog in Sled Dog racing is the Alaskan Husky which was bred for the two most important attributes of speed and stamina. Sled dogs tend to be small and lean, similar to well conditioned, human, long distance runners. Drivers, keep careful watch over the weight of each dog and feed measured portions of a mainly meat or chicken diet to keep each dog at ideal racing weight.

Most sled dogs are muscular with a slightly arched back, well angled shoulders and a deep chest for excellent lung capacity. The dogs prefer to run in cold weather.

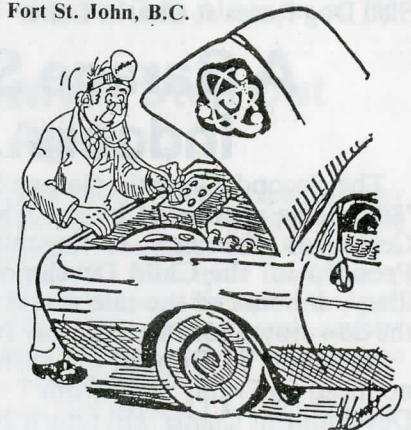

Spectators are requested to stay clear of the track and keep your pets at home. Injuries can happen when stray pets bolt onto the course. Visit the drivers between the races but allow them to work when they are trying to ready a team for a race.

Stage North to Stage an Oldie...

“Arsenic and Old Lace” will be produced by Stage North in Northern Lights College Multipurpose Room starting January 24 for three weekends of nine shows in all. It will run Friday and Saturday nights and Sunday afternoon. The story is a comedy about two women who murder people but are incensed when they are accused of lying.

The two leading roles are played by Mary Telford and June Ainsworth, who are both well-known actresses and volunteers with Stage North and Workshop Players.

Tickets are usually in demand for Stage North productions so get yours early at the Artspace.
