

2005 Peace Liard Regional Juried Art Exhibition

April 28th to May 1 st

A Message from the President

The Arts and Cultural Society on the Edge is thrilled to host this year's Peace Liard Regional Juried Art Show. This is the first time that this show has been hosted in Hudson's Hope.

We are one of the very few communities in BC that has set up a new arts council in recent years and the last eighteen months has been a very exciting time for all of us.

Creativity is stimulated by our landscaped, our people and our exposure to the world of art. This imaginative interpretation is evident in the breadth of techniques and material used in this exhibition of visual artwork.

We hope you enjoy exploring the minds and talents of the artists and craftspeople who live here in the beautiful Peace Liard Region.
