To Whom It May Concern:

The City of Fort St. John Recreation Department fully supports the proposal for a Summer Arts program sponsored by the Fort St. John Community Arts Council. The Arts Council has been instrumental in developing and expanding arts opportunities in the Fort St. John area. A Summer Arts program, as proposed, is necessary to fill a void in recreation and arts opportunities in the North Peace River Area.

It is my hope that this application is given every consideration.

Yours truly,

STEVE SCOTT
RECREATION DIRECTOR
