**FOR IMMEDIATE RELEASE**  
**Print Making Takes to the Road**

**North Peace Cultural Centre Parking Lot, Saturday June 10 from 10:00am – 3:00pm**

Peace Gallery North, North Peace Cultural Centre (NPCC) and City of Fort St. John Recreation are holding a printmaking extravaganza as part of the ongoing celebrations of the 25<sup>th</sup> Anniversary of the NPCC.

The main event will showcase local print makers making large relief prints using a road roller driving over inked-up blocks! Local printmakers will also demonstrate their various printmaking techniques and will be selling their prints throughout the day at the Art Market.

There are FREE kids' workshops being offered and we are asking parents to pre-register their kids at Peace Gallery North from May 10th to June 9th for these workshops. 5 - 10 year olds will be making collograph prints, 11-years and up will be working on linocuts.

Live music will be rocking on the Alaska Highway CD Stage hosted by the Peace Liard Regional Arts Council with performances by The Mechanical Botanicals and Karee Phillips! Food will also be available for sale to support the Northern Dance Theatre Society.

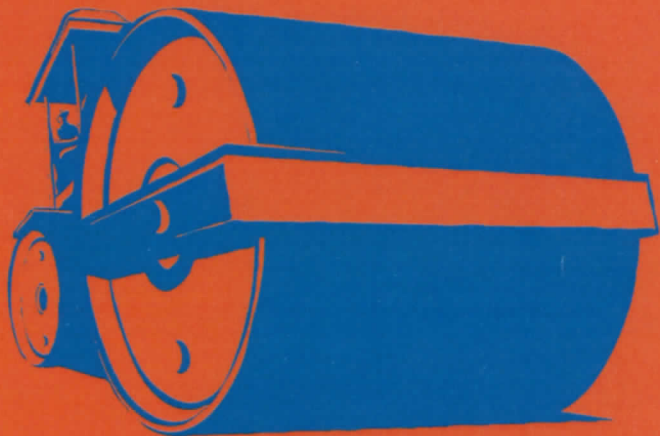

This is a major event that has been trending across the world and we are very excited to bring it to our community. For more information and updates, check our website, [www.npcc.bc.ca](http://www.npcc.bc.ca), [Facebook](#), or call 250-785-1992.
