FIRST OVERTURE
CONCERT Here Marked
Success: If the Chan-
ticleers are any indication
of the attractions offered
during the coming season
in Fort St John, many who
failed to purchase tickets
for the series are going to
be disappointed. A fairly
good crowd heard the
concert Saturday night.
They enjoyed first a group
of classical selections, then
a delightful Gilbert and
Sullivan sketch in song and
finally a group of Broad-
way hits brought the
evening to a successful
conclusion. Mrs W D
Boewes convened the
social hour in the staff
room following the concert.
Mrs Bowes hopes to have
included the entire
season's ticket mem-
bership in these affairs by
the time the final concert
has been presented — so
that all may have the op-
portunity of meeting at
least one group of artists.

PEACE RIVER Associated Libraries met in FSJ with representatives from D C, Pouce Coupe, Tomslake and FSJ. It was decided to pool grants and purchase books to be passed from branch to branch. Oct 23, 1958
