FORT ST. JOHN HOSPITAL FOUNDATION

The Fort St. John Hospital Foundation's 11th Annual "Be An Angel, Light a Light" fund raising campaign begins in one month. The Foundation's goal for the "Be An Angel" campaign is \$200,000 for the purchase of priority equipment at the Fort St. John Hospital and Health Centre. Once again the campaign will launch with a gala affair on November 1 at the Quality Inn Northern Grand. The evening will begin at 5:30 with a no host bar followed by a wonderful dinner at 6:30. After dinner the fun continues with a live and silent auction.

Upon entering the Gala be prepared to experience the Victorian era, when twinkling lights hung on fragrant boughs, laced with golden antiquities; garlands strung from the mantle, framing a glowing fire of crackling pinecones; and pine trees were decorated with small gifts, gingerbread men, and dried fruit. When we celebrate the season with family and friends, we have the Victorians to thank for many of its joyful festivities and delightful customs.

The Victorians also promoted gift-giving, and charity to the poor as essential parts of the holiday. Of course, we hope that the Victorian spirit is with everyone during the evening as we auction off some wonderful items and raise money for equipment for our hospital. Be prepared to bid on original artwork, a queen size hand-made quilt, a wood burning stove, hand made tree skirts, and an amazing trip to a tropical resort to name just a few of the incredible auction items.

This year we have added a new element. We will be doing Christmas portraits of each couple or individual as they arrive at the Gala. When the evening is finished your portrait will be waiting for you to purchase. We hope this makes the event that much more special for you and your guests.

Thank you for your support of the Foundation. We hope that you will once again join us at the launch of our Angel campaign. Tables for eight can be purchased for \$320 or individual tickets for \$40. Tickets will be available for purchase at the Foundation office starting on October 1.

This will be a wonderful evening and a spectacular start to our "Be An Angel, Light a Light" \$200,000 campaign.

Welcome to our Victorian Christmas

When we celebrate Christmas with family and friends, we have the Victorians to thank for many of its joyful festivities and delightful customs. They revived old traditions, such as carolling, and invented new ones such as sending Christmas cards.

The Victorians also promoted church-going, gift-giving, and charity to the poor as essential parts of the holiday. They transformed the folk figures of Father Christmas and Santa Claus into symbols of holiday generosity, and they greatly popularized Germany's traditional Christmas tree or *Christbaum*.

Making Memories

This year we have added a new touch to the Gala with an opportunity to have your picture taken with a Christmas scene as your backdrop. We were fortunate to get an authentic sleigh donated for our use by Brian Dunn and Marion Johansen, members of the Northern Horse and Mule Harness Association.

Photo's will be ready for purchasing at the end of the evening. Prints will be 5x7 and can be purchased for \$20.00.

Angels In Action...

Thank you to Shopper's Drug Mart for printing all the pictures free of charge.

Angels In Action...

Our photographers tonight were Arnie Isberg (portraits) and Norbert Kaspar (floating photographer)

Angels In Action...

Thank you to Sue Popesku for helping to find us a real sleigh for our pictures.

Celebrate the Moment

Purchase a rose for yourself or your companion for \$20.00 and your name will be entered into a draw for a beautiful gold and diamond locket valued at \$380.00 donated by Roland Triebel Jewellers. Roses donated by the Flower Hut.

Payment or Donation

Please pay by cash, cheque or credit card. An ATM is located in the lobby of the Northern Grand for your convenience. Volunteers Ray Lynn Edgington and Marlene Wilson will be accepting payment throughout the auction.

Angels In Action...

Thank you to all of you for coming this evening and helping to launch our 11th Annual "Be An Angel"!

See you all at the "Light Up!" on Dec. 1 at 5:00 PM at the front of the Hospital.
