

**CAN WE DO THAT?
WE SURE CAN!**

Is a 2010 Regional Olympic Live Site for winter sports possible in Fort St. John?

YES IT IS!

Fort St. John is Northeastern BC's regional service centre and we are a real winter City! We are the birthplace of the Northern BC Winter Games.

Does Fort St. John have the training and coaching expertise?

YOU BET!

64 National and World Speed Skating Champions from Fort St. John including two-time Olympian Linda Johnson-Blair.

Linda Johnson-Blair

Fort St. John has the largest speed skating club and the best outdoor long track speed skating oval in BC.

*Fort St. John is British Columbia's
"City of Champions!"*

FEEL THE ENERGY

Creating sustainable legacies for sport development in the Northeast

FORT ST. JOHN THE ENERGETIC CITY

**Proud Supporters of the
2010 Olympic Winter Games
and Paralympic Winter
Games**

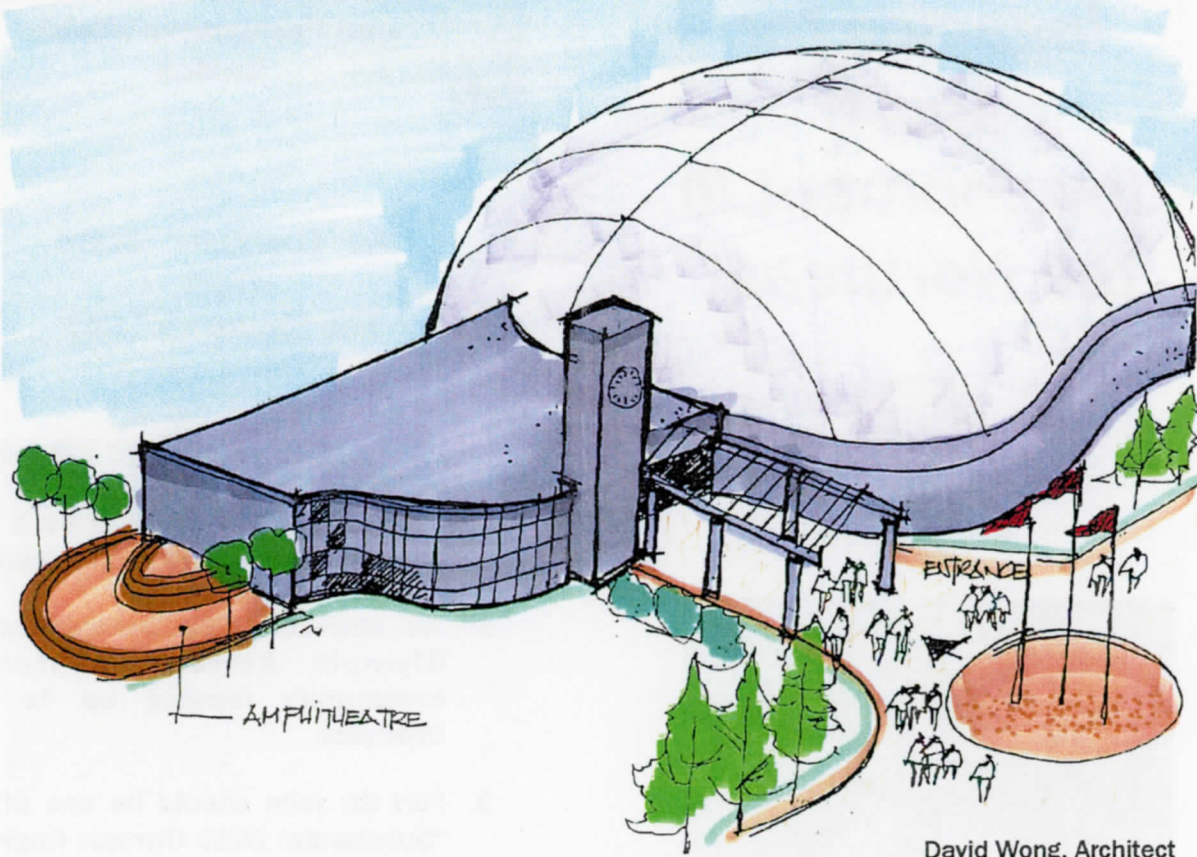

An "Energetic" Vision
From
The "Energetic" City

We have an Energetic Vision!

1. Fort St. John is ready to be a pre-Olympic training site for ice sports.
2. We envision being included as an Olympic Athlete mentoring community leading up to the Olympics.
3. Fort St. John should be one of the "Substantial 2010 Olympic Regional Partnerships."

ENERGETIC VISION

2010 Pre-Olympic Training Site Conceptual Drawing

- Long track Speed Skating Oval
- Olympic Hockey Rink
- Conference / Training Centre
- Indoor Track
- Indoor Soccer / Tennis Venue

We have the Energy!

Fort St. John is known for its army of volunteers, abundant community groups, "Can Do" attitude, and friendly atmosphere.

Can we host large events?

We sure can!

BC Winter Games
Speed Skating Nationals
Northern BC Winter Games
BC Festival of the Arts
BC Amateur Golf Championships

Fort St. John is the only community in BC to have hosted 5 multi-sport winter games.

The City is the birthplace of the Northern BC Winter Games, which it has hosted 4 times in addition to the BC Winter Games.

AND COMING SOON...

Canada Cup #2 —
Jr. National Long Track Speed Skating 2004

Just to name a few!

Partnerships with Local Government, First Nations, and Industry can make this dream come true!
