Lookin' Good in Safety Yellow on Saturday was a great success. Thanks to you. We got the curbs painted just before the days of rain. It gives the hospital a fresh new look and makes a big difference in the appearance. Your time and effort in volunteering was much appreciated by the hospital staff and patients.

We may be able to set another date to finish the lines and the other painting in the Foundation parking lot across the street on 101 Avenue. We do have more funds for more paint. Thanks Diane at Duke Energy for the coordination and application for the funds for the supplies from Duke Energy.

Thanks for the day.
