Thank you again for your support of our organization. We take great pride in our mission and our accomplishments, and with your help, we can once again become the heart of the community.

Dear Patricia and Siblings,

The North Peace Cultural Society is now completing the theatre renovations and finalizing all accounts and invoices. It took a while for the drapery and the cyclorama to arrive and be installed which held up the total project until recently.

We would like to thank you and your entire family for your generous contribution to the NPCC. We have begun the process of establishing an Endowment Fund for the North Peace Cultural Centre Society. We will keep you informed about additional contributions to this fund. We will also include information about what the funds are used for when we are able to reap the interest generated by these funds.

Enclosed is a tax-receipt to each of you. We have sent an update to Yvonne Dixon as well, under separate cover.

Patricia

It was a pleasure to have you and Vonnie attend the opening of the theatre. We will forever remember the time, effort, and expertise that went into establishing the NPCC prior to 1992. Vonnie played a vital role in this construction and fundraising. The recognition plaque will be a permanent fixture in the lobby of the NPCC.

Please stop into the NPCC and introduce yourself, if and when you are in Fort St. John.

Sincerely,

Sue Popesku Board Member and Resource Development Officer NPCC
