# President's Message

I would like to congratulate all the performers from across the province who have been chosen to represent their local festivals in our Provincial Festival 2001. We have all come to our host city of Fort St. John in BC's beautiful Peace River country to celebrate your achievements as you perform in the BC Festival of the Arts showcase of talent. This gathering of gifted performers is not simply a competition, but more importantly, it is an opportunity for each of you to learn from your mentors and peers, to fulfill your dreams, and to share your talent. We hope that this enriching experience at the Festival will encourage you to continue to strive for excellence in your chosen paths. On behalf of our Provincial BCAPAF Board, I wish you all much success.

I commend your parents and teachers, too, for without their guidance, this opportunity may not have been possible: they have been instrumental in nurturing your goals and abilities.

The community of Fort St. John has opened their homes and hearts to us, and has shown us all that the greatest resources in this area are their wonderful volunteers for the Festival. Your efforts and accomplishments are greatly appreciated.

Wendy Vernon, President  
BCAPAF

## BC Association of Performing Arts Festivals

The BC Association of Performing Arts Festivals (BCAPAF) is the umbrella organization of 30 regional performing arts member-festivals situated throughout British Columbia, in which approximately 80,000 young musicians, dancers, and speech and dramatic artists participate annually. Regional festival winners recommended by their adjudicators advance to our Provincial Festival which is held as an integral part of the BC Festival of the Arts. Performers compete in junior, intermediate and senior levels in classical voice, piano, woodwind, brass, strings, instrumental ensembles, speech arts, ballet, stage dance and modern dance. As well, the Provincial Festival hosts National-level competitions for the solo music categories and for instrumental ensembles and choral groups. The Choral Competitions are heard on tape prior to the Provincial Festival: those winners are announced at the Festival, and the winning tapes are sent on to be heard in National competition. Winners in the National solo and instrumental ensemble categories proceed to represent our province at the Federation of Canadian Music Festival's prestigious National Festival. The 2001 National Festival will be held in Alberta, August 16 - 18, at the University of Calgary.

The BC Association of Performing Arts Festivals is a non-profit, charitable organization with an elected volunteer Board of Directors drawn from across the province. The President, the Directors on the Board, and the Executive Director, would like to thank the hundreds of volunteers who coordinate the regional festivals and who host the Provincial Festival. We extend a warm welcome to all performers at the Provincial Festival 2001 in Fort St. John.

Our Junior and Intermediate Speech Arts delegates will find these special workshops will offer them a taste of this rich, intimate art form, thus providing another possible outlet for their verbal talents. They will learn about the balance of preparation and spontaneity involved in Storytelling, and they will explore the various sources of story from folk tales of the world to their own personal lives.

Guest mentors, Rita Cox and Art Napoleon, both highly-accomplished performers, will lead these Storytelling Workshops.

The Special Storytelling Workshops will be held concurrently in the United/Anglican Church on Thursday, May 31, from 2:00 to 3:00 pm. All Junior and Intermediate level Speech Arts delegates are requested to attend.
