Chairman  
North Peace  
Cultural Society

Dear Tony;

I am writing to you on behalf of Stage North as we are getting tired of being harrassed about this \$7500 that we are down on the pledge list for the cultural center fundraising. We have no idea how it came about that we were put down for this amount. We have no record of having said that we could come up with this amount. The concensus among our group is maybe the budget needed to be boosted so this amount was written in as our contribution as we have supported this project from the beginning finacially as well as with volunteer labour for all sorts of things.

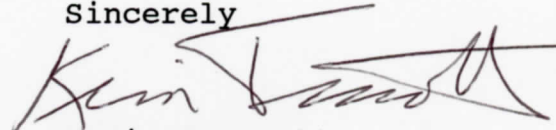

Now lets put all that aside and get down to the nuts and bolts of the matter. Taking all of what was said previosly we have undertaken to come up with as much as possible of that \$7500 in order to help the construction of the building proceed without a hitch. So lets consider what we have contributed to the center since that \$7500 pledge.

We wrote a cheque to the NPCC in the amount of \$2349.00 and a cheque for \$3000.00. We also wrote a cheque for \$750.00 from our Halloween Fundraiser for the Cultural Center. So far that totals \$6099.00 towards the \$7500.00 pledge. Stage North has also donated some equipment, that we own, towards the theatre that would have had to be purchased thus saving money from being spent. We supplied an amplifier for the speaker system for the booth that would have been purchased otherwise. We are also donating our Clearcom system which includes the main station , two belt packs , and six headsets. The replacement value of this equipment is \$ 4000.00.

Stage North is at a loss to explain why you feel that we have not lived up to our so called \$7500.00 pledge, unless you maintain the attitude that the equipment we are donating doesn't count. We have already heard that attitude from some individuals. We feel that by donating equipment to the center that can be used and not have to be purchased IS saving money that can now be spent on other things.

If you have any questions on the above please feel free to contact me. We hope that everyone questions are now answered about this pledge.

Sincerely

Kevin Truscott  
President  
Stage North
