Stage North presents

Agatha Christie's

Agatha Christie weaves her spell in this tale of mystery and suspense.

It's night, there's a blizzard, the phone lines are down, the roads are closed. A group of un-related people settle in for a quiet week-end in the country. Quite quiet ... until somebody dies. Who did it? ... and why?... and are they still there?? Written and produced in 1952, THE MOUSETRAP is still playing in London's West End and has gone on to become the longest running play in history. Often copied, never equalled, THE MOUSETRAP is the original murder mystery that set the standard for many to follow. Intense suspense, bone chilling fear, several good laughs and charming characters all combine to create a marvelous evening of entertainment.

Directed by professional actor/director Ian Forsyth, THE MOUSETRAP promises to keep you on the edge of your seat. Be sure not to miss this captivating performance that everyone in Fort St. John is still talking about. Be sure not to miss the last performance of THE MOUSETRAP. Get your tickets now, before they are all gone.
