ARTS COUNCIL

"Shaping Today, Inspiring Tomorrow"

The Fort St. John Community Arts Council is working for a better community by supporting and developing arts and culture.

We strive to facilitate Fort St. John residents to:

- teach and expand their potential through the arts
- advocate for the arts, artists and art groups in Fort St. John
- network and connect with all those interested and concerned about the arts
- promote the role of the arts in building quality of life and enhancing positive lifestyles
- educate the public about the arts as well as help to market local artists in Fort St. John
