Dear Treasured Chronicles II Contributor;

We would like to thank you for your contribution to our project. Treasured Chronicles II has been a year-long adventure in recording history and movie making.

History is a great teacher for our future generations and a wealth of information has been collected and preserved on DVD. All our staff here at Hill Computing Inc. had a wonderful experience exploring the lives and history of the region, and we will always see this project as one of our personal treasures.

To show our appreciation for your help, we have included a personal invitation for you and a guest to the premiere showing being held at the North Peace Cultural Centre on August 29th. Movies will be available for sale at a specially reduced price of \$20 including tax. A portion of the proceeds will be donated to the North Peace Historical Society.

We request movies to be purchased with cash as it will speed up the sales lines. In the event that you don't have cash, we will also accept Visa and MasterCard.

A week before the premiere, we will be calling everyone for an RSVP. We look forward to seeing you at the premiere.

Best regards,

Shauna Hill
and
the staff of Treasured Chronicles
