

Fort Nelson Heritage Museum

Proudly welcomes:

Dawn Gullackson Art

Dawn, a local artist, will be painting live at the Artists Cabin at the Fort Nelson Museum all season, every day between 11-4.

Dawn, originally from Ontario, has lived in B.C. for the past 20 years. She never went to an accredited school of the arts and credits her enthusiasm to her teachers from grade school and high school. She started to seriously create art after coming to B.C. off and on over the past 20 years. She lives and works in Fort Nelson B.C. and has been here since 1999.
