

Dear Sue,

I would like to thank you and the Peace Country people for the beautiful sweatshirt and pin you sent me. I was really happy to receive it as it is a very nice shirt and it fits me perfect. I can't tell you how much fun I had working with all of you. As you may know you were the last week of entertainment that was involved with the bus. So now that I'm finished with bus driving I have had the opportunity

to see Capo myself.
Wow! Is it ever fun
down there. Lots to see
and do. Sure, I will
hang onto your address
and if I am ever up
in Fort St. John I
will give you a
call and get together
with the performers
again. So anyway
Take Care and
Thank you very much
