## **BURN'S BASH BEAUTIES**

These students from Heather McCracken's School of Highland Dance were part of a group of four showing off their talents at the 41 annual Robert Burns night held last week in Fort St. John. A variety of students from the group performed a selection of different dances for the audience of about 114 people. The Rotary Pipe Band also made an appearance at the event which featured a dinner and dance to go with the entertainment. The Fort St. John Knights and the Shriners hope to make next year's event, the 250 anniversary of Robert Burn's birthday, one of the biggest years yet.
