ART IS SERVED!

The Dawson Creek Art Gallery's fall fundraiser 'Art à la Carte' is now on display at the Lakeview Credit Union in Dawson Creek. "Art à la Carte is our silent auction that runs from now until the end of October," says Kit Fast, Curator at the Gallery. "25 artists have created unique works of

art that you can place bids on from a fabulous selection of paintings and photographs."

This is the first time the Lakeview Credit Union has hosted the event. "The redesigned interior of the Credit Union is a great place to host the silent auction. The Credit Union used local artwork to create a welcoming atmosphere, recognize the value of this region's artists and the value of connecting with the community," says Fast. "We

want to raise money, but we also want people to see the community's talent on display."

Choose your favourite pieces and place your bids in the book where each artist is represented. On October 28, the winning bidder will be contacted to pickup their newest piece of original Peace Country art; just in time for Christmas. Be sure to check back throughout October because you don't want to be outbid!
