Dear Ms. Popesku:

I had the pleasure of attending the Saturday evening performance of "Oklahoma". You, your production staff, and the cast, are to be warmly congratulated for a tremendous job. Your cast demonstrated acting and singing ability far beyond anything I really expected. It was obvious they all worked hard on this production, and enjoyed participating in it as much as we enjoyed watching it.

Please pass on my sincere compliments to the members of your cast and production staff. Do you plan on taking the performance to other towns and cities in the North. I am sure that communities surrounding Fort St. John would appreciate viewing this production as much as those of us who had an opportunity to see it at North Peace Secondary School.

Yours very truly,

D. Ed Smith, M.L.A.
