Dear Mrs. Popesku:

Congratulations for a job well done. The 'Oklahoma' production was most enjoyable, and certainly appreciated by the community of Fort St. John.

You and all the participants are to be commended for such an excellent performance. The students certainly did themselves proud and represented North Peace Secondary School in an excellent manner.

I found the performance most enjoyable and do hope that I will have the opportunity to attend another in the future.

Once again, congratulations, and thank you for taking the initiative and time to share your talents and leadership ability with the students of North Peace Secondary School.

Yours truly,

G. C. Lind  
District Superintendent of Schools
